The Adventures of Duke & Dash

Two unlikely best friends. One town in need of heroes.

Meet **Duke**, a fun-loving Cavalier Spaniel who believes most of life's problems can be solved with a wagging tail and a well-timed nap. He's got a heart twice the size of his appetite—and he's really hungry.

Then there's **Dash**, a quick-witted Chihuahua mix who never met a fence he couldn't jump or a riddle he couldn't solve. With a nose for adventure and a spirit that refuses to sit still, Dash is always looking for the next big thrill.

Together, they are more than just the neighborhood's most adorable duo; they are the town's secret protectors.

When a mysterious shadow begins lurking in the local park and prized treasures start vanishing from backyards, Duke and Dash know it's time to trade their chew toys for detective badges. From outsmarting mischievous raccoons to guiding lost friends back home, these two pups must venture far beyond the safety of their comfortable porch to face challenges that will test their courage, cleverness, and—most importantly—their bond.

Filled with funny mishaps, daring escapes, and an unbreakable friendship, the adventures of Duke and Dash prove that being a hero isn't about how big you are—it's about how much heart you have.
